Ministry Alternative Workshops this Friday

The Attributes of God

Edwin Hayes - Session 1

We all need to dive deeper into the Word of God. In this workshop, Edwin will discuss deep truths about God. You will learn the undeniable truths of God's existence, power, etc... as scripture has revealed. Everyone will benefit from this study.

Women Who Are Faithful and Fun

Sarah Sargent & Jessica Musetti - Session 1

Ladies - as we grow closer to God, we should also be growing closer to each other. Come join in the discussion about how we can be women with a purpose for the Kingdom - all while enjoying all the smiles and laughs we can along the way. This workshop is for all women!

Church Security – A Review

Steve Craig, Columbus SWAT Officer - Session 2

You may remember that Steve did a workshop a few years back on Church Security. He is returning to give us a refresher course and make sure we are prepared. This session should be attended by all church security personnel, church trustees, pastors, and others who are interested.

Teaching – A Refresher Course
